Dear Friends,

The good works of Catholic Charities Hawaii would not have been possible this past fiscal year without the support from our caring friends, supporters and community partners. Your investment in Catholic Charities has allowed us to address critical social services issues that matter to us all.

Since our founding in 1947 by the Maryknoll Sisters, we have been looked upon as a leader and pacesetter providing care and supportive services to the people of Hawaii, regardless of their religious beliefs or culture. Today, we remain committed to helping individuals and families struggling with poverty, abuse, homelessness, joblessness, and more.

Increasingly, the lack of affordable housing and the growing elderly population in our state are challenges that individuals and families in our community encounter daily. However, through the generosity of our supporters, we have been blessed with the opportunities to offer real solutions. For example, Catholic Charities was recently gifted a 12-unit apartment complex on University Avenue in Honolulu by a loyal donor. This property will soon become affordable housing for young single mothers who struggle to provide for their children. Not only will these single mothers have a safe environment to call home, they will also benefit from Catholic Charities’ supportive services to assist them as they seek to better their lives and that of their children’s.

Meheula Vista, Catholic Charities Housing Development Corporation’s senior affordable rental housing development under construction in Mililani Mauka, was conceived as a viable solution to help our kupuna age in place. This development is being funded in part with state and federal tax credits and loans, and Phase I--the first 75 units--is projected to be ready in Fall 2016. This project has already attracted much interest as more and more of the seniors in our community struggle to get by on a fixed income while costs of living continue to surge upward.

While much is being done, there is still more we can and must do. With your continued support we can keep reaching those most in need, bringing them help and hope.

Thank you for being there for us. Together, we can help others empower themselves.

With much gratitude and aloha,

Christopher Dang

Our Mission

Catholic Charities Hawai'i, rooted in the gospel of Jesus, exists to carry out the social mission of the Church by serving the people of Hawai'i.

We are a community of hope that promotes the dignity of each person by helping others empower themselves. We provide a wide range of social services with compassion and a commitment to excellence. Through our programs and our advocacy for social justice, we lovingly serve all people, especially those with the greatest need.

In the Hawaiian spirit of ‘ohana, we join with parishes, agencies, and community groups. We welcome all people of goodwill to share our mission.

Our Core Values

In all our services, decisions, and relationships we commit to live these values:

Dignity of each person calls us to reverence the God-given life and dignity of each person at every stage and condition of life.

Compassion calls us, as sisters and brothers, to be present with others in their suffering and need and serve with a caring spirit.

Social Justice calls us to be a community of hope that works to achieve the common good, promotes individual rights and responsibilities, and advocates on behalf of those with the greatest need.

Commitment to Excellence calls us to serve competently and collaboratively.

Community Impact

In 2014, Catholic Charities Hawaii touched the lives of more than 40,000 individuals and families statewide. Here’s a snapshot of some of the ways that we provided help and hope to people in need:

**Housing & Homeless Solutions**
2,374 individuals received assistance to help people become self-sufficient and move into or maintain affordable permanent housing or transitional housing. Other supportive services that were also provided included housing placement, counseling, financial and material assistance, case management, employment training, and classes related to housing stability.

**Senior Supportive Services**
4,913 seniors received support through a wide range of services such as transportation, friendly visitor and paraprofessional home helper services, and medication management. Other assistance included case management, counseling, assistance accessing affordable housing, medication management assistance, senior center activities, and volunteer opportunities for seniors.

**Family Strengthening**
8,797 lives were impacted through programs supporting troubled youth and families as well as single mothers experiencing unplanned pregnancies. The services that were provided included in-home visitation for children who are victims of abuse or neglect, foster care placement, family counseling, youth residential services, an Independent Living Program, therapeutic and resource family foster care placement and training, and general counseling services.

**Immigration Assistance**
172 immigrants received assistance and support that included interpretation and translation services, acculturation, immigration and citizenship assistance. English language classes, employment training and job placement services were also provided.

Serving Our Neighbor Island Community

**Hawai‘i Island Community Office:**
In the wake of the Puna lava flow, which affected many struggling families, the Hawai‘i Island Community Office coordinated efforts with community groups and individuals to provide basic necessities and support to the families and children who needed help. Their efforts also created future opportunities by connecting funders and public schools to further address the needs of the affected families.

**Community Assistance Program:**
8,508 individuals and families on Hawai‘i Island received information, referrals, and other financial and supportive services for basic needs, including assistance with first month’s rent and security deposit.

**Kaua‘i Community Office:**
Working to identify the needs of the homeless population in the County of Kaua‘i, the Kaua‘i Community Office took the lead in an effort to gather information with a survey tool called the Vulnerability Index-Service Prioritization and Decision Assistance Tool (VI-SPDAT). The survey’s findings will assist in us in working with community partners to address targeted needs of homeless individuals and families on Kaua‘i.

**Community Assistance Program:**
5,376 individuals and families on Kaua‘i received information, referrals, and other financial and supportive services for basic needs, including assistance with first month’s rent and security deposit.

**Maui Community Office:**
After an extensive search to identify a new facility for the Maui Community Office, Catholic Charities Hawai‘i secured a new and expanded office space in Wailuku. Located in the Maui Promenade Building, the new location provides more office space than our previous facility in Kahului, which enables our staff to provide a multitude of services for families and individuals in need.

**Community Assistance Program:**
1,989 individuals and families in Maui County received information, referrals, and other financial and supportive services for basic needs, including assistance with first month’s rent and security deposit.
Thank you to our generous donors who made gifts from September 1, 2014 to August 31, 2015. Gifts received after August 31, 2015 will be acknowledged in the next annual report.

Friends of Catholic Charities

Started in 1985 by Gerry Ching, Tom Huber and Bob Tushima, the Friends of Catholic Charities has been a pillar of support for the organization. Over the years, Melissa Benjamin, Doug Smith, Roger Wall, and Tracy Wong joined the steering committee. Through the efforts of the Friends since its inception, over $700,000 has been distributed to CCH programs and funds raised for future needs have reached $1 million this year. Their efforts have also helped raise awareness of the work of our organization.

Parish Partnerships

Many parishes on O‘ahu, Maui, Kaua‘i and Hawai‘i Island actively support Catholic Charities Hawai‘i through a variety of efforts. Some serve as the venue for specific outreach initiatives and programs; others provide parking and participate in special collections such as Catholic Charities Sunday. Without these parishes, we would not be able to further our outreach to those in the community who need help.

Vietnamese Catholic Community
Volunteers Meeting the Needs Through Time

Behind the scenes of the programs are people of service who provide time as a way of giving back to their community. Volunteers at Catholic Charities Hawai’i have donated many hours and have changed the lives of many clients.

Volunteers of Catholic Charities provided companionship to seniors, taught classes, gathered data, cleaned apartments, drove clients to their appointments, provided safety, served meals and created an atmosphere of hope. In 2014, there were 360 volunteers donating approximately 27,295 hours.

Through our Parish and Faith Community Relations (PFCR) efforts we look to our local Catholic parishes and other faith organizations to help us assess the needs and address the struggles of the people we serve. In 2015, Catholic Charities has been building on creating Friendly Visitor programs through chosen parishes. At events in the spring, the PFCR committee members were able to increase the awareness of the need for more volunteers in each of the parish communities.

We continue to involve businesses and organizations in service through events and donation drives. Businesses such as Enterprise Holdings have involved their employees with our organization by having back to school supply and holiday gift drives. First Hawaiian Bank employees spent a day cleaning, painting and sprucing up Lanakila Multi-Purpose Senior Center. The Notre Dame Alumni club volunteers for events such as the CarFit event and gift wrapping for the elderly. We are grateful to businesses and community groups who have given in so many ways.

Catholic Charities Hawaii is committed to building on the momentum to increase volunteer service and recognize those who meet the needs of our clients through their generous donation of expertise and time.

Ways to Give

We understand that you have many different priorities and reasons for your charitable giving. Other than cash contributions, there are a variety of ways to make a gift to Catholic Charities Hawaii such as:

Recurring Gifts – automatic deductions from your credit card or bank account.

Employee Matching Gifts – employee matching gifts provide a great way to double or sometimes even triple your personal donation.

Gifts of Stock or Securities – donation of stock and gifts of appreciated securities may result in tax savings. Please consult your advisor.

Tribute & Memorial Gifts - donation in honor or in memory of a loved one or to celebrate a special occasion.

Car Donations – proceeds from the sale of cars through our Vehicle Donation Program.

Corporate Gifts – workplace giving campaigns, corporate donations, and grants.

Planned Gifts – bequest gifts such as naming Catholic Charities Hawai’i in your will or trust. Other planned giving options include designating Catholic Charities Hawai’i as a beneficiary of the retirement funds or life insurance policy.
