

ANNOUNCING ZOOM WORKSHOP: Healthcare Concerns for Adults Aging with Intellectual Disabilities: Focus on Cognitive Impairment and Dementia

Tuesday, June 8, 2021, 10-11:30 am

Seth M. Keller, MD is a board-certified neurologist in private practice with Neurology Associates of South Jersey. He specializes in the evaluation and care of adults with Intellectual and Developmental Disabilities (IDD) with neurologic complications. Dr Keller is on the Executive Board of the Arc of Burlington County as well as on the board for The Arc of New Jersey Mainstreaming Medical Care Board. Dr Keller is the Past President of the American Academy of Developmental Medicine and Dentistry (AADMD). Dr Keller is the co-president of the National Task Group on Intellectual Disabilities and Dementia Practices (NTG). Dr. Keller is also the chair of the Adult IDD Section with the American Academy of Neurology.

He is actively involved in national and international I/DD health education as a speaker and webinar and workshop participant. He is a co-author on a number of articles and book chapters relating to aging and dementia in those with IDD. Raised in Philadelphia, PA, Keller received his bachelor's degree from Temple University, earned his medical degree from The George Washington University School of Medicine in 1989, and completed his neurology internship and residency at Bethesda Naval Hospital. He also served as a neurologist at the U.S. Naval Hospital in Okinawa, Japan.

Dr. Keller will cover:

- **Adults with Down syndrome and their risk for developing early onset Alzheimer's disease**
- **Assessment of decline in adults with IDD**
- **The current and future approach in diagnosing dementia in adults with IDD**
- **The importance of planning and coordination of care**
- **Providing Cognitive Enhancement**
- **Pharmacologic and non-pharmacologic behavioral management**
- **Strategic seizure management and goals**
- **Anticipating and supporting end-stage disease**
- **Supporting caregivers, the importance of team approach to care**
