

Announcing Zoom Dementia Series Workshop: for Providers, Caregivers, Friends, and Advocates of Persons Living with Memory Loss

Kamal Masaki, MD is Professor and Chair of the Department of Geriatric Medicine at the John A. Burns School of Medicine, UH Manoa. She is the Director of the Mini-Medical School on Healthy Aging at the John A. Burns School of Medicine. She is the Academic Medical Director for Geriatrics at the Queen's University Medical Group. She is board certified in Internal Medicine and Geriatric Medicine and was elected to be a Fellow of the American Geriatrics Society. She has been performing aging and dementia research for over 30 years and is the Director of Research at Kuakini Medical Center. She has been an Investigator and Clinical Director for many large longitudinal epidemiologic studies, including the internationally renowned Kuakini Honolulu Heart Program, Honolulu-Asia Aging Study, Hawaii Lifespan Study, Hawaii Healthspan Study, and related offspring studies.

Dr. Masaki is the Director of the John A. Hartford Foundation Center of Excellence in Geriatrics at the University of Hawaii. She is Co-Principal Investigator for the Geriatrics Workforce Enhancement Program (HRSA grant). She has a strong track record for mentoring medical students, residents, fellows and junior faculty in aging research.

Dr. Masaki has received numerous teaching and research awards, and was selected by Hawaii physicians to "The Best Doctors in America" three times. She is a co-author on over 300 publications in scientific journals.

Hazards of Hospitalization for Persons with Dementia

Tuesday, May 24, 2022, 10-11:30am Hawaii Time

Dr. Masaki will cover:

- **Why older patients are more prone to complications in the hospital, particularly those with dementia**
- **How to prevent these complications**
- **Why bed rest is so detrimental**
- **Susceptibility to adverse drug events**
- **New models of care for better outcomes**
- **How friends, family and caregivers can help**

Advance Registration is required at this link:
