

Challenging Dementia Behaviors, Depression & Dementia

Two-Part Series for Caregivers and Providers of Persons Living with Memory Loss

Aida Wen, MD is an Associate Professor, Dept. of Geriatric Medicine, John A. Burns School of Medicine at University of Hawaii and is board certified in Geriatrics and Palliative Care. She is the Principal Investigator of the HRSA funded Geriatric Workforce Enhancement Program which strives to enhance geriatric training for all health professionals, and to integrate geriatrics into primary care. She is Medical Director of Manoa Cottage Kaimuki, a nursing facility dedicated to dementia care. Passionate about improving dementia care and nursing home care, Dr. Wen strives to help patients, providers and caregivers make the journey through this difficult diagnosis as gracefully as possible.
