

CATHOLIC CHARITIES HAWAII

2022 ANNUAL REPORT

OUR MISSION

Catholic Charities Hawai'i, rooted in the gospel of Jesus, exists to carry out the social mission of the Church by serving the people of Hawai'i.

We are a community of hope that promotes the dignity of each person by helping others empower themselves. We provide a wide range of social services with compassion and a commitment to excellence. Through our programs and our advocacy for social justice, we lovingly serve all people, especially those with the greatest need.

In the Hawaiian spirit of 'ohana we join with parishes, agencies, and community groups. We welcome all people of goodwill to share our mission.

OUR CORE VALUES

In all our services, decisions, and relationships we commit to live these values:

DIGNITY of each person calls us to reverence the God-given life and dignity of each person at every stage and condition of life.

COMPASSION calls us, as sisters and brothers, to be present with others in their suffering and need, and to serve with a caring spirit.

SOCIAL JUSTICE calls us to be a community of hope that works to achieve the common good, promotes individual rights and responsibilities, and advocates on behalf of those with the greatest need.

COMMITMENT TO EXCELLENCE calls us to serve competently and collaboratively.

BOARD CHAIR & CEO MESSAGE

Dear Friends,

On behalf of the board and staff of Catholic Charities Hawai'i (CCH), we are pleased to share our 2022 Annual Report.

Looking back on 75 years of service and advocacy, we are proud of the positive impact our efforts have had and of our foundation of caring and kindness made possible by the Maryknoll Sisters and many others who began our work in Hawai'i. The local traditions of taking care of each other across Hawaii's spectrum of nationalities, faiths and cultures are deeply engrained within our work and our own diverse CCH 'ohana. As a community of hope, we continue to serve all people with dignity, compassion, social justice and a commitment to excellence.

Your faithful support touches the lives of local families, children, veterans, seniors, and individuals who face isolation, poverty and crisis. As an organization with a reputation for high quality and professional human services, we assisted over 100,000 individuals and families last year, connecting them with valuable services and resources.

Today we are 48 programs strong, spanning all islands with services that offer help and hope to our neighbors in need, from keiki to kūpuna.

Looking ahead, our vision is to improve the resilience and self-sufficiency for Hawaii's families and individuals through new initiatives provided by our amazing staff, volunteers, supporters, and community partners.

Thank you for your support. We are truly grateful for your commitment to our work and those we serve.

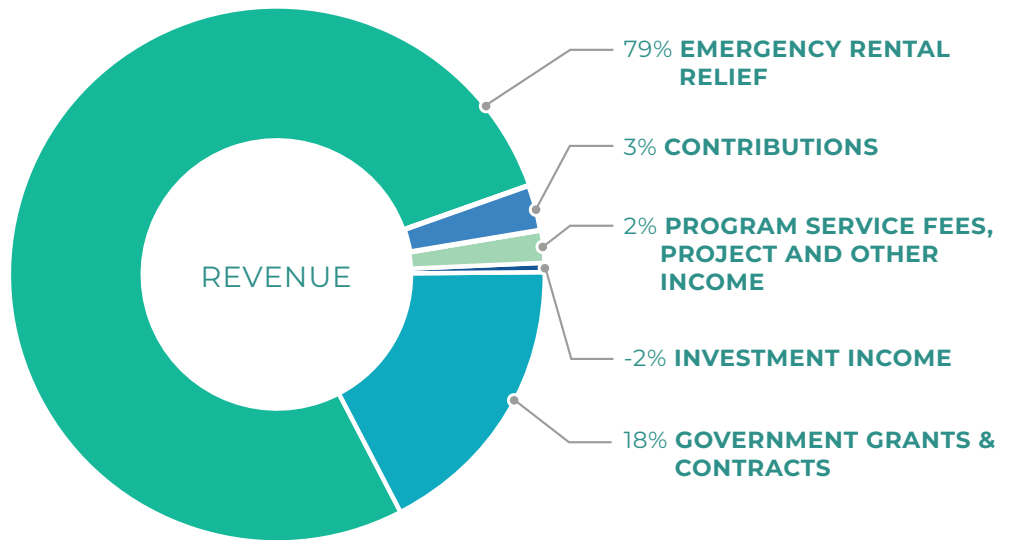

With aloha,

Vernon Wong
Chair, Board of Directors

BUILDING PATHWAYS

During the middle of the pandemic, Victoria's landlord informed her family that their rental home was being sold. Also, as Victoria began registering her son for preschool, she discovered a misprint on his birth documents that complicated the enrollment process. She struggled to access government offices that had closed their doors or reduced their operating hours because of the pandemic. At the same time, finding a new home became difficult since the family was already struggling on a limited income with very little inventory of available homes within their financial reach.

Fortunately, Victoria discovered Hale Wai Vista, a low-income housing complex in Waianae where Catholic Charities Hawai'i (CCH) offers outreach and services. Within a few days of arrival, she met with the CCH team who helped identify her needs. The staff helped correct her son's documents, found resources to help stabilize her housing needs through COVID-19 rent and utilities financial relief and signed her up as a participant in a new CCH program called Akahai E Komo Mai.

CCH's **Akahai E Komo Mai Program** assists struggling households to sustain housing and develop skills to build pathways out of poverty. It's an innovative approach that connects participants to financial literacy, mental health and case management, woven with Native Hawaiian cultural values. Akahai participants work with the program team to create goals and navigate their pathways with resources and services.

"CCH and its employees are such blessings," Victoria said. "They have helped my family in so many ways. I really appreciate all the resources they have shown me which I would have never have known about." Victoria is now learning to budget, building up her credit so she can ultimately become a homeowner.
